## Sponsor the BHHS Robotics Team

Bionic Black Hawks  
Team 2834

Each year, Bloomfield Hills High School's Bionic Black Hawks take on the FIRST Robotics Challenge (FRC). In six weeks, students design and build a robot, then compete at regional, state, and world championships for game points and awards in design, safety, engineering, and community impact.

## Learn, Serve, Grow

*Putting our team motto into action...*

### MENTORING

Our FRC students instruct robotics summer camps and mentor teams in FTC (grades 6–8) and FLL (grades 4–5).

### COMMUNITY

We host several *FIRST* events, such as the *Bloomfield Girls Robotics Competition* and fund raise to provide holiday gifts for children in foster care.

### ADVOCACY

Our team is committed to advocating for *FIRST* at the local, state, national, and international levels. We also focus on encouraging girls and women to participate in STEM/STEAM.
