

# We Need Your Help!

## Sponsor the BHHS Robotics Team

Bionic Black Hawks  
Team 2834

Each year, students on the Bloomfield Hills High School's robotics team, *Bionic Black Hawks*, participate in FRC (*FIRST* Robotics Challenge). In just 6 weeks, they strategize, design, and build a robot. Then they compete at regional, state, and world championship levels for points in the game while also vying for awards in design, safety, engineering, and community impact.

### Questions or ready to become a sponsor?

- 2023 • **Innovation in Control Award** at Jackson district competition
- **Excellence in Engineering Award** at Traverse City district competition
- **1st Place Winner** at Traverse City district competition

Some of our current sponsors:

# Sponsorship Levels

## Diamond \$7,500+

- Speaking opportunities at events
- Company logo on website front page

## Platinum \$4,000–\$7,499

- Large logo on banner in our pit
- Large logo on the robot

## Gold \$2,500–\$3,999

- Large logo on team t-shirt
- Logo on banner in our pit
- Logo on the robot

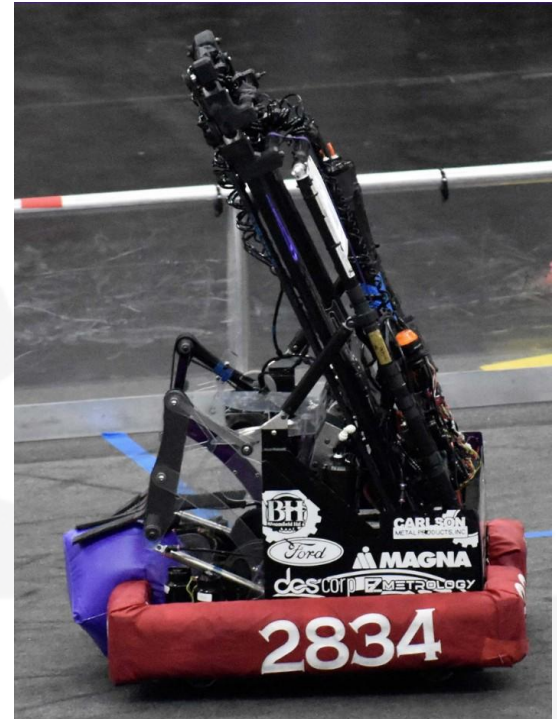

## Silver \$1,000–\$2,499

- Company name on team t-shirt

## Bronze \$575–\$999

- Company logo with link on sponsor page on team website
- E-newsletter with periodic updates
- Letter of thanks
- Team photo for display

All contributions are tax-deductible.

## Learn, Serve, Grow

*Putting our team motto into action...*

### MENTORING

Our FRC students instruct robotics summer camps and mentor teams in FTC (grades 6–8) and FLL (grades 4–5).

### COMMUNITY

We host several *FIRST* events, such as the *Bloomfield Girls Robotics Competition*, fund raise to provide holiday gifts for children in foster care, and mentor Durfee Elementary-Middle School's team, *The Robotic Bulldogs*, in Detroit.

### ADVOCACY

Our team is committed to advocating for *FIRST* at the local, state, national, and international levels. We also focus on encouraging girls and women to participate in STEM/STEAM.
